## ONTARIO'S EXCITING BEACH DESTINATIONS

### Sandbanks Provincial Park

(Just 4 hours from Montreal)

#### Day 1

Desert oasis at Sandbanks Provincial Park. We felt the sand rush from between our toes at the beach. After a quick dip we found the perfect spot for a delicious picnic lunch.

Fort Henry

#### Day 2

After a short trip to Kingston's Fort Henry, Alex got to play soldier for the day. As the sun went down we dined in the Officer's Mess and waited for the fireworks to start.

#### Day 3

Pioneer living at Morrisburg's Upper Canada Village. One wagon ride and Katie's face lit up. A 1000 Islands Cruise was the perfect way to end an amazing summer vacation.

### Wasaga Beach

#### Day 1

Freshwater fun at Wasaga Beach. Katie had her first swimming lesson while Alex, the little architect, made one of his famous sandcastles. After, we found a great little ice cream place along the boardwalk.

Wasaga Beach

#### Day 2

Amazement at Scenic Caves Nature Adventure in Collingwood. Alex and Katie looked like explorers in their head-mounted flashlights. Looking down was only half the fun at Collingwood's Suspension Bridge. The other half? Soaring on zip lines at the Eco Adventure Tours.

Scenic Caves

#### Day 3

After a stroll in beautiful Blue Mountain Village, we stopped by the Collingwood Elvis Festival. Then we discovered the life of sailors and settlers on a fun and lively historical tour. As the sun set, we were already planning our return trip for next year.
